To Whom It May Concern:

RE: Universal Outlet—Green Building Product Information (LEED v4.1 Information)

Tremco Incorporated is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

Tremco Incorporated certifies the following for Universal Outlet:

**Building Product Disclosure and Optimization:**

Universal Outlet is manufactured in Trenton, South Carolina.

No single extracted material is used to produce the majority of this product.

Recycled content for Universal Outlet is varies between 15% to 90% (Pre-consumer). Because this product is partially created with recycled content, consumers are able to work towards one Building Product Disclosure and Optimization- Raw Materials Extraction point.

**Low Emitting Materials - VOC Content Information:**

Universal Outlet is an exterior applied drainage product with a VOC content of <1g/L equaling <1% as applied/mixed. As such, VOC levels are lower than the limits set by SCAQMD rule 1113.

**Green Chemistry:**

Tremco Incorporated is dedicated to the environment and prides itself on making its products as sustainable as possible. We are pleased to report that this product is produced without any Red List chemicals. As such, it can be used to assist in finishing projects aimed towards achieving a Living Building Challenge certification.
