To Whom It May Concern:

RE: TremGlaze Flex Foam—Green Building Product Information (LEED v4 Information)

Tremco Incorporated is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

Tremco Incorporated certifies the following for TremGlaze Flex Foam:

**Building Product Disclosure and Optimization:**

TremGlaze Flex Foam is manufactured in Arkel, Zuid-Holland.

No single extracted material is used to produce the majority of this product.

Recycled content for TremGlaze Flex Foam is not available, and for the purposes of LEED reporting should be assumed to be zero.

**Low Emitting Materials - VOC Content Information:**

TremGlaze Flex Foam is a foam sealant with a VOC content of 153g/L equaling 15.4% as applied/mixed. As such, VOC levels are lower than the limits set by SCAQMD rule 1168.

**Green Chemistry:**

Tremco Incorporated is dedicated to the environment and prides itself on making its products as sustainable as possible.

**Additional Information:**

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,
