

SOLAR REFLECTIVITY INDEX FOR VULKEM 346

The topcoats of our Deck Coating Systems, including Vulkem 346, have been tested internally in different colors to determine the coatings' Solar Reflective Index (SRI) Value. The results are as follows:

VULKEM TOP COAT COLOR	SOLAR REFLECTIVE INDEX (SRI) VALUE
Vulkem 346 Beige	SRI = 40.21
Vulkem 346 Maple	SRI = 17.99
Vulkem 346 Slate Gray	SRI = 19.4
Vulkem 346 White	SRI = 93.06
Vulkem 346 Limestone	SRI = 47.4
Vulkem 346 Gray	SRI = 39.5 *Third Party Validated

Additionally, several of these coatings will aid in obtaining LEED™ credits, particularly Sustainable Sites Credits which address the heat island effect of non-roof and roof areas.
