
PRODUCT DESCRIPTION

Paraseal® Paraprimer™ is an adhesive primer formulated to prepare construction surfaces prior to application of Parastick 'n' Dry, Superstop, and various tapes. All construction surfaces other than HDPE liner are always primed with Paraprimer prior to taping.

BASIC USES

Paraprimer helps create a bonding to any sound, clean surface and provides a flexible base to enhance adhesion.

AVAILABILITY

Immediately available from your local Tremco Sales Representative or Distributor. For Distributor locations, visit www.tremcosealants.com.
