RE: Simple Seal- Green Building Product Information (LEED x4® Information)

Tremco, as an organization, is committed to quality, responsive to both internal and external customers, our employees, our community and environment, and we will treat all with respect and good stewardship.

Tremco Inc. certifies the following information for Simple Seal

Regional Materials:

Simple Seal is manufactured in Harbor Springs, Michigan.

No single extracted material is used to produce the majority of this product. Additionally, all raw materials come from one of several sources which in-turn come from one of several raw material feed stocks. As such, point source for the raw materials cannot be determined.

Recycled Content Information:

Recycled content for Simple Seal is not available, and for the purposes of LEED x4 reporting should be assumed to be zero.

VOC Content Information:

Simple Seal has a VOC content of <1g/l equaling <1% by weight as applied/mixed.

Manufacture Inventory:

Additional Information:

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

A handwritten signature in blue ink, appearing to read "Amy Woodard".
