To Whom It May Concern:

**RE: TREMGard HB—Green Building Product Information (LEED x4 Information)**

Tremco Incorporated is an organization that is committed to quality, our employees, and our environment. We are responsive to both internal and external customers, and we pledge to treat everyone with good stewardship and respect.

**Tremco Incorporated certifies the following for TREMGard HB:**

**Building Product Disclosure and Optimization:**

TREMGard HB is manufactured in Medina, Ohio.

No single extracted material is used to produce the majority of this product.

Recycled content for TREMGard HB is not available, and for the purposes of LEED x4 reporting should be assumed to be zero.

**Low Emitting Materials - VOC Content Information:**

TREMGard HB is a waterproofer with a VOC content of 35g/L equaling <1% as applied/mixed. As such, VOC levels are lower than the limits set by SCAQMD rule 1168.

**Green Chemistry:**

Tremco Incorporated is dedicated to the environment and prides itself on making its products as sustainable as possible. We are pleased to report that this product is produced without any Red List chemicals. As such, it can be used to assist in finishing projects aimed towards achieving a Living Building Challenge certification

**Manufacture Inventory:**

**Additional Information:**

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

A handwritten signature in blue ink, appearing to read "Amy Woodard".
