

TECHNICAL DATA SHEET

ENFORCE™ PROTECTION BOARD

Non-woven thermoplastic fiber board

PRODUCT DESCRIPTION

EnForce™ Protection Board shields your exterior foundation walls from backfill damage and aids in draining moisture away from the foundation. The non-woven thermoplastic fibers embed into wet waterproofing membrane to create a monolithic system. Designed to work with TUFF-N-DRI® and WATCHDOG WATERPROOFING®, EnForce protects against water and backfill damage, ensuring your waterproofing stays in place and moisture is directed to the foundation drainage system.

FEATURES & BENEFITS

- Superior backfill protection
- Easy installation around corners
- Installer friendly material
- Up to 80% recycled content
- 15 year to 25 year transferable performance warranties
