

High-Performance Single-Component Silicone Sealants

Spectrem® silicone sealants offer high performance and exceptional weatherability in a variety of the most demanding dynamically moving joints and perimeter caulking applications.

Many Willseal® solutions are available finished in any standard Spectrem® color – in addition to many industry standard colors. For even greater customization, we can also custom-match most colors to blend in perfectly with your project.

STANDARD COLORS

All colors shown are approximate and may not reflect sheen or shade precisely, as varying amounts of aggregate will alter light-reflecting properties. Tremco always recommends a test patch to gain final color approval. Different lighting conditions can influence color appearance: for truer color please view in daylight. Some colors may require a minimum quantity. Custom colors are available upon request. Contact Tremco Customer Service for more information.
